December 2, 2024

Dear Friend,

You are invited to be part of a very special celebration of Asian American and Native Hawaiian & Pacific Islander (AANHPI) narratives at the momentous 20th Anniversary of the DisOrient Asian American Film Festival of Oregon! DisOrient cultivates a welcoming space in Eugene to host independent filmmakers who share incredible stories that inspire connection and promote understanding about AANHPI issues. Highlights of the festival include engaging conversations about filmmaking, identity, culture, history, and social justice. Live screenings will be at the Art House Eugene. Please save the dates for DisOrient 2025:

- February 15 – Preview Screening (Live)
- March 6-9 – Eugene Film Screenings and Filmmaker Q&A's, Panel Discussion, Opening Night Reception, Awards Gala
- March 10-23 – Virtual Screenings open to Oregon audiences

DisOrient is a cultural asset that is run, in large part, by a volunteer effort. It's remarkable that volunteers have stepped up for 20 years to make this festival happen. The truth is that we need more support to continue this work. If you find value in sharing AANHPI films in Lane County and want to be a part of the community-building movement at DisOrient, please consider becoming a sponsor. Enclosed is a Sponsorship Packet for your review. We have fun sponsorship perks such as acknowledgement in our festival trailer that plays before each film block and access to our weekend Green Room where you can meet filmmakers and other community VIP's. Check out our website at <https://disorientfilm.org> for more information.

Feel free to contact me if you have any questions.

I hope to see you at DisOrient 2025!

With Gratitude,

Pamela M. Quan
