Dear Friend,

The excitement is palpable! The program for the 2026 DisOrient Asian American film festival will be epic with films ranging from feature documentaries and narratives to animation. We invite you to come. If you have not been to DisOrient before, you are in for an incredible experience! It is a celebration of Asian American, Native Hawaiian, and Pacific Islander (AANHPI) talent and artistry, a celebration of diversity in Lane County and just plain fun. If you have attended the film festival before, we welcome you back with open arms!

The DisOrient Asian American Film Festival is an integral part of the local community in Eugene, Oregon with friends and family extending into the film community and across so many borders. Even so, it exists and comes together every year with a handful of dedicated volunteers, the local businesses that support us, and sponsors who see the value this grassroots organization brings not just in sharing filmmakers' stories but in uplifting cultural awareness. So now more than ever, we need your help. Become a sponsor and be part of this rich and thriving community. Learn more about each sponsorship level by rolling over the blue buttons below.
